Location: 4450 W ADAMS BLVD, 90016

Status: Closed

Recent comments:

Constituent contacted CD10: As of today, nothing has changed its trash overflowing of Adams Blvd. .. and they're still congregating using drygs; drinking alcohol which has been ongoing for months and this request has been unresolved since last year. Its a nuisance that's only getting worse .. day and night activity.. And since the COVID-19 everything stopped rather than place and enforce the abatement. This is not how our community should be.. and allow this presence. It's awful... Sandy Richardson
